

PRICE CHECK, STOCK CHECK & AVAILABILITY

Empower allows you to easily view availability of an item across all facilities and provides up-to-date ETA information to see when stock is due into a facility. You can also check your pricing for items in this screen.

The screenshot displays the Empower Central interface for product MMM63YW. At the top, there is a navigation menu with 'Products' highlighted. A search bar contains the text 'Enter Item or Keyword to Check Stock / Price'. A yellow notification banner at the top left states: 'MMM63YW is out of stock at your Home Facility. Please check Adot and other facilities'. Below this, the product details for 'MMM63YW 3M/COMMERCIAL' are shown, including an image of the product, a price of \$7.19, and an 'Add to Order' button. A table below the product details shows availability across various facilities, with a 'See ETA for all facilities' link. A pop-up window shows a detailed view of the item's availability for a specific facility. The right side of the page features 'Also Consider' recommendations for similar products.

Once you arrive at the product detail page by entering an item number into the search box or by using the guided search function from the 'Product' navigation at the top of the page, you can see the item's availability and pricing.

- Inventory across all facilities shows in a one-page view with your home and ADOT facilities highlighted at the top of the list.
- To check availability closest to your customer, enter their zip code.
- To check ETAs, select the 'See ETA for all Facilities' link.
 - This will open a pop-up box which will display the Estimated Arrival Date and Item Quantity due at each facility.
 - ETAs are an estimated date of when the item will be available for sale.
 - ETAs are subject to change; Check back for the most current ETA available.
- Your pricing (account and list price) is displayed, as well as Price Plan indicator.
- The 'Not Stocked' icon displays when the item is not stocked at that facility.
- Note: If applicable, important information will be displayed at the top of the screen in a yellow box. This may include:
 - Out of stock notification
 - Discontinuation status
 - Item preauthorization requirement
- Use 'Also Consider' to view complementary items.
